Dear Grade One Graduates,

Although we are just ending this school year of 2009-2010, I wanted to let you know that I am already looking forward to meeting you in Grade Two for the next school year. There are so many things we can learn from each other, I know we will have an awesome year.

Parents and Caregivers, enclosed you will find a school supply list, as well as a recommended reading list. I urge you to encourage your child to take part in a summer reading program. Libraries typically promote such programs towards the end of the school year, and I can assure you that the one usually offered at the Westerly Library is excellent.

In the meantime, future Grade Two students, I wish you a wonderful summer full of lovely adventures that you can share once school starts again in September.

God bless you all,

Mrs. Cozzolino,
Grade Two Teacher
